Activities and
 Organizations

We hope you enjoy the DESERT BRAVES of 1964. It has been a pleasure for us to gather the material and assemble the book.

We dedicate this book to the SENIOR CLASS of 1964. They are the first class to graduate from the new building. This privilege will never be repeated. Their appreciation will be shown by their accomplishments in the future as well as the record the class has made this year. All success and happiness to each of you.

Jupiter photographed in red light with its satellite *Ganymede*, upper right, casting a shadow on the planet's surface, top center.
