PACESETTERS

Fifteen girls and fifteen boys were nominated from the senior class for the honor of PACESETTERS. Through their high school years these students have been active in class as well as extra-curricular activities. They have been class, dormitory, council and club officers. They have been the workers and the leaders in activities. All of these things lead to a better school. At the same time they have demonstrated their ability and maturity by the responsibilities of job-holding. In these and other ways they have demonstrated that they are PACESETTERS.

In Memoriam

Father Arthur A. Falvey, S.J. became the assistant pastor in St. Gall Parish, Douglas County, Nevada in July, 1965. In this capacity he became a chaplain to the Stewart Indian School.

Father Falvey passed away in Carson-Tahoe hospital on the twenty-third of February, 1966, after a heart attack.

In the short time that Father Falvey was here at Stewart, he showed his love of all people and his concern for the spiritual and moral well-being of the students at Stewart.
