THE PACESETTERS

The Desert Braves is proud to present the PACESETTERS OF 1967.

Each year the senior class selects some of their members to be the PACE-SETTERS.

The selection of these students begins with the nomination, by the entire school staff, of seniors who have "set the pace" for classes, clubs, the band, athletic teams, dormitory living, student government, and citizenship. These students have been the workers as well as the leaders in all phases of school life. They have shown maturity, dependability, leadership and initiative.

Twenty-one girls and twenty-seven boys were nominated. From nominees, five girls and five boys were selected PACESETTERS by vote of the senior class by secret ballot.
