# Local Runner Finishes 11th In Top Marathon

Tully Mann, 19 year old senior from Stewart Indian School took the 11th place position in the Santa Barbara California annual 26 mile marathon last Saturday.

Mann running in a field of 36 starters was able to hold his pace and finish the race.

Track coaches in this area hold out great promise for the Indian lad to be a U.S. Olympic hopeful in the marathon.

One interesting point about last Saturdays race is that there were only three runners of high school age in the marathon. All the rest of the runners were older and more experienced.

And out of the three high schoolers, Mann finished ahead.
