PACESETTERS

Nominations for the PACESETTERS are made from the senior class by the staff of the school. Determining factors are qualities of leadership, maturity, dependability and initiative. In addition to these are participation in extra-curricular activities such as athletics, music, student government, and clubs. Above all is general school citizenship and a willingness to be a help to someone.

Members of the Class of '70 selected the top six girls (there was one tie vote) and the top five boys from the list of candidates.
