Stewart Indian School
Stewart, Nevada

Our Pal,
Bozo

Albert M. Hawley

DEDICATION

To a man

who, through sixteen years, has shared our problems and joys as Boys' Adviser, Athletic Director, Boarding School Principal, and Reservation Principal;

who has developed ideas, not selfishly for his personal advancement, but to pass on to help others in their accomplishments;

who has worked toward a higher plane on which to live, not for himself alone but for all students who have attended our school;

who has striven untiringly for better understanding among all people throughout our western states; to Mr. Hawley we, the Class of 1950, dedicate our school annual.

We Are Grateful to the Carson Indian School For a Better:

ADMINISTRATION

Leon Wall
Principal

E. Reesman Fryer
Superintendent

The Administrative Staff of the Carson Agency joins with the faculty in saluting the Class of 1950, and in wishing each of its members, success and happiness in the years ahead. We would, at the same time, remind each member of the Class that education is not an end in itself; that schools merely teach children to think and use their minds in ways that will help them to solve the puzzle of their later life.
