DEDICATION

Miss Zelia Taylor

Mr. William T. Lehnher

We, the Senior Class of 1956, hereby dedicate our first school yearbook to be published to the two people who helped us in many ways during our sojourn at Stewart.

To Miss Zelia Taylor we dedicate a portion for her patience and assistance to us in our last two years in school.

And to Mr. William T. Lehnher we dedicate the other portion for his always ready advice and assistance. We would also like to express our sincerest appreciation for all he has done for us, and for all the encouragement he has given us to face the world with always our best foot forward.

THE
YEAR
IN
REVIEW

SIERRA AGRICULTURE CLUB

The 4-H beef and swine clubs of the Stewart Indian School had a banner year. The calves were put on feed the 15th of August, 1955. The boys eligible for calves which are the seniors and the 5th year Navajos, drew their calves September 15, 1955. They kept a daily record of the pounds of feed that each individual calf was fed. Also a weekly record of the calf's weight. This weekly weight record was for the purpose of determining the calf's proper utilization of the pounds of feed that were fed the calf and also to determine the percent of economical gain. The boys did a fine job of feeding and showing their calves. At the Reno Show our boys won 6 purple and 5 blue ribbons. The swine club boys did equally as well, winning 3 purple and 2 blue ribbons.

LETTERMEN'S CLUB

The purpose of the Lettermen's Club at Stewart is to further good sportsmanship, sponsor various social activities for the benefit of the student body, to help new students adjust to life in a boarding school and acquaint them with school traditions and behavior patterns, and to be "Big Brother" for all the younger students in school. It is composed of boys who have earned letters in major sports.
