## EDITORIAL

\*\*\*\*\*

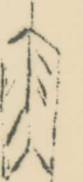

Responsibility: We are often confronted with the term "Responsibility," and immediately we are barraged by a series of questions such as: What is Responsibility? Where does it begin and end? Who is responsible for what? In what way am I responsible? When do I cease being responsible? Is it any of my business? Am I passing the "buck"? Will the other fellow do the thing I am supposed to? Who did the job before I arrived? Are the demands on me too great? Who will carry on in my absence? And many more.

Most of, not all of these questions can be answered in our own mind at least by merely assuming the responsibility for our selves so far as action, deeds and driving are concerned. Without being meddlesome or intruding we can assume all of those obligations which rightfully belong to us and others by making our home, school, community, state and nation a better place in which to live. We should start at home and stay as close to home as possible doing something about these things which affect our home both internally and externally.

Lets Make Carson Boarding School A Better Home.

Yours truly,

Ernest C. Mueller  
Principal of the School

BOOKS, THE LIBRARY, AND YOU

\*\*\*\*\*

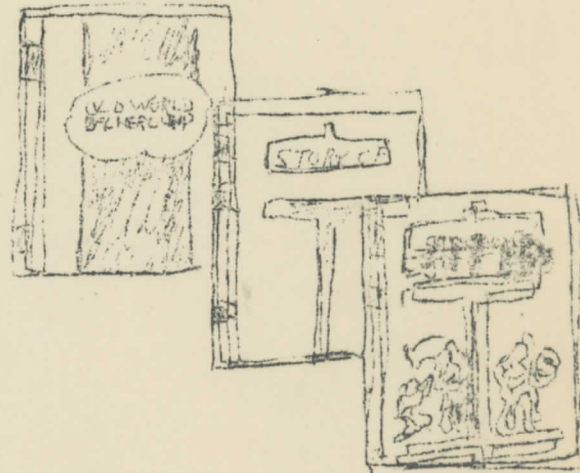

OUR LIBRARY

I always think the cover of  
A book is like a door  
That opens into someones house  
Where I've not been before

*pirate*  
A pirate or a fairy queen  
May lift the latch for me  
I always wonder when I knock  
What welcome ~~ther~~<sup>there</sup> will be

A. F. Johnston

\*\*\*\*\*

Did you know that books can be your  
best friends? They help you know en-  
teresting people. They can help you to  
travel to far places. They help you  
to become a more interesting person.  
They help you understand distant times.  
They not only increase your knowledge  
but they give you a lot of pleasure.

You can enjoy books anytime and  
anyplace. You can visit the jungle with  
Tarzan, you can ride the range with Will.  
James or you can go to the moon with Dr.  
Dolittle. If you want to know about  
China without going there, books will  
tell you.

In our school library there are  
many books - About 200 were new this  
fall. There are many you would enjoy  
reading. You cannot hope to read them  
all - If you only read one book each  
month that would be only 12 in one year.  
That would not be very many. So if you  
want to travel far and enjoy much you  
must read many, many books of many kinds.

When you have read a book that you  
enjoy tell your friends about it. When  
you barrow a book treat it kindly, even  
tho you don't like it, someone else may  
want to read it.

When you have finished your book re-  
turn it to the library on the date due

so that you do not deny others the  
pleasure of reading it.

STUDENTS STUDY YOURSELVES

\*\*\*\*\*

Are we students selfish, lazy and un-  
kind?

Are we respectful and courteous to our  
teachers, advisers and other employees?  
Who was it that said:

"Kind words can never die.  
Cherished and blessed,  
God knows how deep they lie  
Stored in the breast."

D. Amora

N. Y. A. SPEAKER

State Director, Miss Margaret  
Griffin of Reno was a guest speaker at  
the Auditorium on Thursday evening. She  
gave an interesting talk on the "American  
Youth of America" and their problems. This  
organization was established in 1935.

# STEWART-VS-BISHOP

The "Stewart Bucks" nosed out the Carson Hi-team here last Saturday by the score of 6-0. Scoring the only touch down of the game in the last quarter when Pee wee Hilpert received a pass from Kitchen and lateraled to Bert Keliiaa quarterback who went over the goal line for the winning tally.

The game for the most part was played about even and was marred by fumbles from both teams.

Score

The Senators threw a real score in the Braves several times when their light but tricky back Harold Wright seemed to be on his way for a certain touch down.

The Stewart Bucks had a slight edge on the Carson boys in all departments, meaning yards gain by rushing, yards by passes and punting.

After the game a dance was sponsored by the students. A cake was baked by Mr. Larson and the boys in the bakery. This cake was served during the evening. The cake its self looked like a football field and even tasted better. Thanks to Mr. Larson.

Friday the 18th the Stewart Bucks will travel to Bishop, California to play the High School team there. Many boys who have not as yet seen action in a game this year are expected to play because of the inter-scholastic rules in force in this game.

Expecting to show a lot of fight and ball packing because of showing made in practice are Jimmy Wright, Frank Laverne and Lester Avelar.

Since Bishop is quite a distance from Stewart the boys are not anticipating traveling that distance just to loose the game.

Though the students can not travel with the team they will be "rooting" for you guys to win.

#### SIX MAN TEAM

\*\*\*\*\*

According to reports received by this department the sixman team will try to do a thing not very well known in football. Playing a double header here Sunday after noon with Fernly and Virginia City.

These boys play on a smaller field than their varsity brothers and they don't waste any time moving all over it.

The Papoose team may pay a return visit to Westwood Saturday to play a return game. The last game ended in a tie.

#### BOYS PHYSICAL EDUCATION

\*\*\*\*\*

Coach Lovine has started his classes on the Decathlon in which he is in charge of.

The boys are trying to kick their legs off in an effort to punt further than their class mates.

More than one of the younger boys are giving the older students competition in punting.

#### GIRLS' PHYSICAL EDUCATION

\*\*\*\*\*

All the girls have been fitted out in gym suits and gym shoes. Our class periods are divided into two activities. The first part of the period is given over to exercises, and the remainder of the period to play activity.

So far all the classes have been playing soccer, but beginning next Monday all the classes will play Hockey until it is too cold to play out doors.

Badminton is a new activity we have added to our course. In the classes where there are not too many girls we are learning how to play the game. Some girls come to the gym at 4 also to play. We hope to run off a tournament in this sport before the year is over.

A few of the classes have had Health Education.

\*\*\*\*\*

#### SCHOOL HEALTH PROGRAM

\*\*\*\*\*

According to Dr. H. Lien, M. D., the school health program in general for the Carson Indian School for 1940-41 may be summarized as follows:

Preventive measures such as inoculation against diptheria and vaccination against typhoid fever and smallpox.

Tuberculosis program consisting of tuberculin testing all the new students and all those students who were negative to the test last year

Roentgenograms to be taken of the chests of all those having a positive tuberculin test.

A series of lectures to be given to the senior class, beginning in January 1941, on "Healthful Living."

## SCHOOL HEALTH PROGRAM

Continued

\*\*\*\*\*

Motion pictures demonstrating some phase of health activity will be shown when possible throughout the year.

First aid classes to be organized for those interested.

A series of talks to be given to the junior and senior classes by state and federal authorities on health subjects.

Routinely every week, milk and water supplies will be tested to determine bacterial content.

There will be a daily determination of the residual chlorine in the water supply system.

There will be a monthly inspection of all the school facilities and there will be weekly inspections of the dining room and kitchen facilities.

## MISSION NEWS

\*\*\*\*\*

The visiting speakers we have had recently are three in number: On Sunday morning, September 29, Rev. Walter Bishop of Salt Lake City spoke to the group older young folks; on Thursday, Oct. 4, Dr. E. Pitt Peers of New York City spoke to the fourth to eighth grade girls and on Oct. 15th, Mr. George Smart of Sierra Madre, Calif. father of our pastor, gave a chalk talk to all the boys from the small boys' building. Earlier in the year Mr. Desch who has come from New York to supervise the construction of the new Mission buildings spoke to the Sunday evening group of young people.

\*\*\*\*\*

The Mission at Dresslerville, Nevada here the Stewart Missionary staff work

every Friday evening, has been having a "face-lifting." New paint and plastering, and screening have made the mission more useable. Several class rooms have been made available, so that the Missionaries might conduct Church School for the Washoe children. The first classes were held last Friday night

Miss Dewey and Miss Underwood conduct sewing classes for the Washoe women on Friday afternoons. These have been well attended.

\*\*\*\*\*

## THE CORNER-STONE LAYING CEREMONY

\*\*\*\*\*

On Sunday afternoon, Oct. 13th, about 250 people gathered around the entrance of the new chapel to witness the laying of the cornerstone by a former Superintendent, Mr. Fredric Snyder. The program was as follows:

Trumpet duet: Mr. Laird & Edna Allon  
 Invocation: Rev. William Smye,  
 asst Pastor, Baptist Church in Reno.  
 Greetings: Mr. Muller, Principal  
 Carson Indian School.  
 Greetings: Rev. Mr. Harvey, Pastor,  
 Federated Church, Carson  
 Solo: Mrs. Wolfenbarger  
 Greetings: Rev. Brewster Adams  
 Introductions: Miss Dewey, Miss  
 Underwood, Miss Culver.  
 Recognition of assistance given to  
 the work of the new chapel by Mr. Foster,  
 Mr. Tolson, Mr. Hawley.  
 Introduction of Mr. Desch, Builder.  
 Scripture Reading: Rev. Hersey.  
 Corner-stone laying: Mr. Fredric  
 Snyder, Miss Underwood, Miss Dewey.  
 Devology  
 Benediction: Rev. George W. Smart.

The speakers mentioned the Founder of the mission work, Miss Lillie Corwin who purchased the land and erected the first building with her own funds. She was followed by Miss Culver, as missionary, then came Miss Underwood, Miss Dewey, Miss Job, and Rev. and Mrs. Smart.

## AUDITORIUMS PROGRAMS

\*\*\*\*\*

## GENERAL ASSEMBLY OF THE

## CARSON INDIAN SCHOOL STUDENTS

\*\*\*\*\*

The Student Body convened in the school auditorium on Wednesday at 10:30 a. m. for their general assembly.

The program began with the "flag ceremony," which includes the raising of the flag, the flag salute and the singing of "God Bless America," sung by the entire student body. The principal, Ernest C. Mueller, addressed the students on the importance of a student governing body. He emphasized the fact that the success of the school depended upon the student body, and that no one individual is big enough to run an organization alone. Mr. Mueller informed the students that Superintendent, Don C. Foster who is in Washington, D. C. at the present time, would be with them at their next regular assembly meeting.

The assistant principal, Mr. Haglund, turned the meeting over to the officers of the junior class, who conducted the election of officers for the student governing body. The following officers were elected:

President - Alfred Kitchen.  
Vice-president - Irene McCauley.  
Secretary and treasurer - Audrey Miguel.

Each class will elect a representative to be a member of the student governing body.

After the election of officers the students sang "America."

The assembly adjourned to meet again October 23.

## SUNDAY EVENING PROGRAM

\*\*\*\*\*

Rev. Hersey from Carson City delivered an address to the student body in the school auditorium on Sunday October 13th.

## ANNUAL MEETING OF THE WA-PAI-SHONE INC.

\*\*\*\*\*

# MURIEL GOODSPEED ENTERTAINS AT INDIAN SCHOOL ON OCTOBER

\*\*\*\*\*

Miss Muriel Goodspeed, 1938 winner at Atlantic City as America's most Talented Girl. A winner of sixty two State and National Contests in Beauty, Music, Dancing, Singing, Writing, Oratory and Dramatic's, Television, Stage, Screen, and Radio Artist.

She appeared with Millard Townsend baritone soloist with Portland Symphony Chorol Society.

Miss Goodspeed was a real treat to our students. Her singing and dancing was enjoyed by all.

## ADMISSION DAY - CELEBRATED IN CARSON CITY

\*\*\*\*\*

Admission Day will be celebrated in Carson City, October 31.

The students in the Carson Indian School will be interested in the parade, barbecue and the general activities.

The Shop Department, the Agriculture Department and the Band will be represented in the parade.

A barbecue will be held in the evening for the Indian people. The students will participate in this barbecue.

\*\*\*\*\*

## BAND NEWS

\*\*\*\*\*

The Band will participate in the parade on "Admission Day" Oct. 31 in Carson City. You can see the Band members marching around the campus getting ready for this parade.

## TEBE NOBE

\*\*\*\*\*

Tebe Nobe Craft Department teaches the art of carving nature Nevada gem stones, such as turquoise, agate and quartz into settings for rings, pens and knives.

It teaches the carving of Mt. Mahogany. This nature wood is very hard and close grained. It takes a beautiful finish and polish. It grows in colors ranging from white to black.

These two arts are taught in Carson Indian School by Mr. Forbusch. He hopes to develop them not only as a business but as a Hobby also. This will provide a leisure time activity which will last through the years and be worthwhile in any locality.

The knowledge of Gem Cutting and Lapidary and Woodcarving makes friends as well as extra money for those who master them. These skills are as important and profitable as basketweaving and buck - skin work.

The wood and stone carvings have been welcomed as an Indian Art. Bracelets, trays, bowls, pins, desk sets and buttons have been sold. The record for the past year has proved that these articles, made in the Tebe Nobe Craft Shop, have a ready market.

\*\*\*\*\*

## WEEK END ACTIVITY SCHEDULE

\*\*\*\*\*

Saturday night the Tenth Grade is sponsoring a dance for all the older students. The dance promises to be a real event as the Sophomores will try to out do the Juniors and Seniors who sponsored the two previous dances. An evening of fun and frolic is promised.

Friday and Saturday will be devoted to activities for the younger children.

## 6th GRADE NEWS

Continued.

\*\*\*\*\*

Junior Red Cross magazine for this year.

We are studying about the country of Asia now. We liked the study of Arabia. More of us are now reading stories of the "Arabian Nights."

\*\*\*\*\*

We printed our names on blocked paper. All the boys and girls printed their names. Some colored theirs and some didn't. We pinned them on the wall in front of the room.

\*\*\*\*\*

## 5th GRADE NEWS

\*\*\*\*\*

The fifth and sixth grade children in Miss Motley's room have received some letters from far away. One letter came from West Virginia. The 5th grade there wanted information about Nevada. The other letters were from the state of Virginia. They wanted to know about Indians. The children in Miss Motley's have made an Indian picture book. They found the pictures in Indians at Work. The pictures show the kind of homes Indians have, the kind of work they do and many of their crafts- the children have written information about the lakes, mountains, towns and the kind of work people do in Nev. They have gathered materials to send too. They have learned much about Nev. in finding information for the children in West Virginia. The children in West Virginia will send information about their state.

\*\*\*\*\*

## 4th AND 5th GRADE NEWS

\*\*\*\*\*

We are trying to start a sweet-potato vine from a sweet potato. For some time we have not had very good luck with the first one so we have started another.

Another pupil has come into our

room. Her name is Annabelle Carlson.

We have made spelling notebooks to keep our spelling words together and are starting nature study books this week.

\*\*\*\*\*

## PRIMARY ROOM

\*\*\*\*\*

We visited the farm. We had a good time making a chart lesson about our visit.

The first grade have finished their booklet "Our Rabbits."

Robert Jones entered second grade last week, after spending a month in the hospital.
